Portsmouth, VA - September 10, 2010: WAVY TV10 and FOX43 roll out the red carpet for celebs with new Fall Shows! The Nate Berkus Show premieres Monday, September 13 at 9am on FOX43! Nate Berkus introduces you to exciting ways to redesign your life! Then, a new type of justice is served as Nancy Grace brings you Swift Justice at 2pm on WAVY TV10. In her premiere episode, Nancy Grace resolves legal matters as litigants from their home computers bring their cases to court! Then, a new generation of court shows comes to FOX43 September 20. Weekdays at 1pm, America's Court Judge Kevin Ross shows how he lays down the law!

Viewers can expect more life-changing transformations, spectacular before and afters, and other inspiring stories from Nate Berkus, a regular contributor to "The Oprah Winfrey Show". The popular author and designer brings a new perspective to daytime television with his show aimed at helping viewers love the life they live. During the premiere week, Nate unveils his 'Instant Design Studio' featuring innovative 3-D Gaming Technology! There's also 'Nate's Crate' where lucky fans receive surprise deliveries at their home, office or even in the studio.

"This is an hour of television that's time well spent – if a viewer gives me her time, she'll get something in return that will make a difference in her life," said Nate Berkus. "We will laugh, create, transform, inspire, uplift each other and have a lot of fun each and every day."

Outspoken and passionate former prosecutor Nancy Grace is no stranger to television. This time she brings a fresh, new forum where viewers communicate directly with her and ask for advice. Nancy Grace interacts with litigants, polygraph panelists, DNA experts and viewers from across the country through e-mail and Facebook. Viewers will even see "Nancy Across America," a daily segment where people plead their cases from wherever they live using remote technology via Polycom.

"I have this exciting opportunity to be the jury, the judge and the prosecutor and my role is to be fair, to be just and to *not* mince words. One of the most unique elements in 'Swift Justice' is that we have the viewer as part of the team," said Nancy Grace.

Judge Kevin Ross rounds out the line up with his bold, brilliant, tough but fair court show. Recognized as the youngest judge ever elected to the bench in the state of California, Judge Ross advises litigants on how to responsibly deal with their wrongful acts. His rulings also force wrongdoers to reflect on the consequences of their transgressions.

The new WAVY TV10 and FOX43 fall lineup begins Monday, September 13. For more details, log onto [www.wavy.com](http://www.wavy.com) and [fox43tv.com](http://fox43tv.com).
