### **RED DOG RECORDINGS ANNOUNCES THE DEBUT OF *RADIO GO GIRL!***

*A radio program and podcast for women*

**(Richmond, VA)**- Jen Towner, President of Red Dog Recordings, announces the debut of *Radio Go Girl!*. *Radio Go Girl!* is a long format talk program for women hosted by Towner. *Radio Go Girl!* is currently podcasting at [www.radiogogirl.podbean.com](http://www.radiogogirl.podbean.com) and with an RSS link at [www.radiogogirl.com](http://www.radiogogirl.com). The informational and fun show is also now available through Red Dog Recordings and [www.prx.org](http://www.prx.org).

*Radio Go Girl!*'s mission is to provide women with girl information, girl celebration, girl affirmation, girl inspiration and tons of girl fun! Regular guests include experts that can speak to style, health, fitness, skin care, mom issues, diets, cooking, organization, women in business, fashion trends, relationships, hair, finance, life issues plus a special "how to" segment. The guests on *Radio Go Girl!* are experts in their fields, celebrities and everyday girls who just have something to say! *Radio Go Girl!* also features fun finds from Towner and listener interaction and feedback. Program Directors and Operations Managers may consider broadcasting *RGG* as a cost-effective means to fulfill their FCC Public Affairs commitment.

Today's woman lives in a demanding world. Breadwinner, mom, chef, family CFO, social coordinator and so much more; girls are just looking for answers that will make their lives easier and more fulfilling. Jen and her guests discuss topics that will affect the lives of women everywhere in a format that is not only accessible to an average woman but is interesting and entertaining. Radio stations will recognize a larger listening audience and will find a devoted following that will not want to turn elsewhere for information and fun! *As Jen Towner of Radio Go Girl! says, "Hey, women are taking over the world! Why not have fun and help them. Go girl!"*
