**Studio Center Announces Audio Producer Curt Kroeger's  
Return to Studio Center Las Vegas**

Las Vegas, NV - Studio Center Total Production, the Nation's largest producer of radio and television commercials is proud to announce the return of audio producer, Curt Kroeger to head their Las Vegas studios. Kroeger, in his new position as Sr. Producer/Engineer, brings back to Studio Center 20 years of experience in Music, Television, Film and Audio Production.

A Los Angeles native, Curt's extensive background includes recording, editing and mixing platinum-selling records as well as Post Production credits for sound design, dialogue and sound effects. Curt also has done ADR and mixed music for a multitude of broadcast animated television projects and films. Most recently he has worked at the Las Vegas Hilton as head audio technician doing sound with a national touring production.

"Curt wanted to come back and we gave him a very quick 'Of Course!' Curt's talents, client relationships and technical expertise will always be welcome here at Studio Center. Now if we could only get rid of our comptroller." says William "Woody" Prettyman, Studio Center's CEO.

Studio Center produces over 15,000 Radio and TV commercials each year, documentaries, corporate training videos, infomercials, computer games, and audio for toys and original music -- for clients in all 50 states and provides foreign voice-overs for 23 countries around the world. Studio Center Total Production, headquartered in Virginia Beach, has locations in Las Vegas, Los Angeles, New York City, Memphis and Richmond, and has an exclusive roster of hundreds of Non-Union and Union Talent, and offers full Signatory Services.
