

Clear Channel Media and Entertainment Harrisonburg Names Chris Kash Program Director and Afternoon Host for WAZR 93.7 NOW

Harrisonburg, Va. – February 26, 2013 – Clear Channel Media and Entertainment Harrisonburg announced today that Chris Kash has been named Program Director and Afternoon Host for WAZR-FM 93.7 NOW, effective March 11, 2013.

As Program Director Kash will be responsible for programming and executing WAZR 93.7 NOW's imaging and promotional campaigns for both on-air and digital platforms. Kash will join the Harrisonburg market from Clear Channel Media and Entertainment Richmond, where he most recently served as an Evening Host and Assistant Program Director for WRVQ, Q-94.

"We're always excited to recognize and grow emerging talent," said Steve Knupp, Operations Manager, Clear Channel Media and Entertainment Harrisonburg. "Chris brings a great depth of knowledge and his CHR expertise will be a valuable asset for WAZR."

"We're always looking to nurture talent and build great radio stations," said Chuck Peterson, Vice President and Market Manager, WAZR 93.7 NOW. "Our goal is to provide our audience with the best listening experience and most engaging programming – Chris will help us succeed in both tasks."

"I appreciate the opportunity to continue to grow within Clear Channel Media and Entertainment and put my experience to work in making WAZR even better," said Kash. "Big thanks to Clear Channel for their continued support."

Fans can listen to 93.7 NOW via the station's website at www.937now.com, as well as on [iHeartRadio](http://iHeartRadio.com), Clear Channel's all-in-one digital radio service. iHeartRadio delivers everything listeners want in one free, fully-integrated service: instant access to more than 1,500 of the nation's most popular live broadcast and digital-only radio stations from 150 cities, plus user-created custom stations inspired by favorite artists and songs. iHeartRadio also offers listeners a new "Perfect For" feature which allows users to choose from thousands of curated stations based on a range of moods and activities.
