## **Big Oldies 107.3 (WBBT-FM/WARV-FM) to air special edition of American Top 40 hosted by Dick Clark this Sunday morning!**

For Immediate Release:  
**Richmond, VA, April 24, 2012:**

Dick Clark, who sadly passed away on April 18, 2012, will be honored on WBBT-FM, Big Oldies 107.3 this Sunday morning at 10 during a special broadcast of American Top 40 – the only time he filled in for Casey Kasem. The historic March 25, 1972 edition of “American Top 40” will count down the Top 40 hits of the day and will display Dick’s smooth, relaxed manner on the air. This is the only time this classic American Top 40 edition will air – and will serve as a fitting tribute of “American’s Oldest Teenager” doing what he did best.
