The hit reality series **AMERICA'S NEXT TOP MODEL** features Tyra Banks and gives real people an opportunity to prove that they can make it in the high-stress, high-stakes world of supermodeling. The series follows a group of young women of various backgrounds, shapes and sizes, who live together and vie for a modeling contract.

The reality series exposes the transformation of everyday young women into potentially fierce supermodels, as they face weekly tests that determine who can make the cut. With mentoring by supermodel Tyra Banks and exposure to high-profile fashion-industry gurus, the finalists compete in

a highly accelerated modeling boot camp, a crash course to supermodel fame. Participants are asked to demonstrate both inner and outer beauty as they learn to master complicated catwalks, intense physical fitness, fashion photo shoots and perfect publicity skills, all under 24-hour-a-day surveillance of the AMERICA'S NEXT TOP MODEL cameras that chronicle every move.

In addition, the participants will be evaluated on a regular basis by an elite panel of judges led by Tyra Banks. These judges will narrow the field week-to-week until one lucky winner will be chosen...a winner who will become AMERICA'S NEXT TOP MODEL.

AMERICA'S NEXT TOP MODEL is produced by 10 by 10 Entertainment in association with Bankable Productions. Tyra Banks is the creator and executive producer along with Ken Mok ("Making the Band") and Daniel Soiseth ("Hell's Kitchen").
