**WHAN Radio in Ashland, Virginia announced today they had reached an agreement with the Pittsburgh Steelers to air all of their games in the Richmond market. WHAN's exclusivity as the Steelers station will extend to all of the regular season games as well as the pre-season games. Pre-game and post-game shows will also be carried on WHAN.**

**WHAN is a locally owned and operated radio station serving northern Richmond, Henrico, Hanover, and Caroline counties. General Manager, Bill Roberts said, "adding the Steelers to the station's football schedule is a big step for the station in rounding out our sports offerings." WHAN will also be carrying football games from Randolph Macon College, Patrick Henry High School, Hanover High School, and Collegiate School. Tom Cunningham, host of "Hank's Corner" on WHAN said, "we will be interviewing Steelers players and coaches on my show throughout the season." Hank's Corner can be heard from 11AM-1PM Monday through Friday.**

**Games can be heard on 1430 AM in most of the Richmond area. For more information about the games, schedules and interviews, contact the station at 804-798-1010.**
