Theresa Gee Back on the Air

RICHMOND, Va. – WLES AM 590, Richmond’s Christian Talk Radio, announces the addition of a new informative program with veteran air personality, Theresa Gee, to their Richmond lineup.

Richmond Insider, a community affairs program, airs on WLES Radio at 3 pm each weekday. The broadcast consists of interviews of local interests, information and issues. During the 60 minute broadcast, the Richmond audience becomes more aware of the inner workings of many local and national civic organizations such as the American Red Cross, the Salvation Army, Big Brothers - Big Sisters, just to name a few.

Richmond Insider also highlights issues on health, education and local theater. The show is hosted by veteran radio announcer and talk show host, Theresa Gee.

Theresa Gee, a well established name in area broadcasting, is a former Assistant Manager and on-air announcer for a Chester radio station.

Originally from Knoxville, Tennessee, Theresa Gee came to the Richmond Market in spring of 1993 and was put to work immediately by Magic 99 radio station. Because her first love was Christian radio, she went to work for the Chester station when a full time job became available. She worked the six to midnight shifts for two and a half years, then became the host of the afternoon drive air slot, a position she held for 12 ½ more years.

In 1996, Theresa joined with Petersburg native, Doc Christian to co-host *Talk Back Live* which she hosted solo for 12-and-a-half years.

Before being laid off, Ms. Gee had worked her way to host both *Richmond for Lovers* and *Mid-days with Theresa* on the FM station in Chester.

Theresa Gee was hired by Howard Keller, Operations Manager for WLES Radio Station (owned by Chesapeake-Portsmouth Broadcasting in Chesapeake, Virginia) in February 2009. *Richmond Insider* became her newest broadcasting adventure in December 1 of the same year. *Richmond Insider* and WLES Radio are on 590 AM and streaming on the web at www.wlesradio.com...
