RICK RUMBLE AND CARL EDWARDS VISIT USS DWIGHT D. EISENHOWER

Contact: Mike Beck, Operations Manager. 757-366-9900

(Rick Rumble and Carl Edwards)

On Tuesday, August 16, **FM99 WNOR** Morning Show Host **Rick Rumble** and **NASCAR** driver **Carl Edwards** toured the **USS Dwight D. Eisenhower**.

Rumble said, "It was fun to catch up with so many of the great service members that we talk to via the radio each day. Carl signed autographs and was really surprised when they presented him with a birthday cake as we all sang to him...at least I think that was a look of surprise. While landing on the deck was exciting, the catapult shot when we left made me glad I was wearing my vinyl underwear!"

Rumble is the host of "**Rumble in the Morning on FM99.**" This fall he marks 16 years with **WNOR** and recently signed a new five year contract.
