

94.9 The Point helps the kids

94.9 The Point in Norfolk, Virginia packed up their microphones and coffee pot and headed to the lobby of the Children's Hospital of the Kings Daughters for their annual Radio-thon.

44 hours for the kids featuring The Mmorning Point's Chuck and Woo Woo (pictured). Through the tears, the laughter and the seriousness of kids needing help, over \$281,000 was collected during the radio-thon.

PD Barry Mckay weighed in, "I'm always blown away by the generosity of our Hampton Roads audience. 94.9 The Point has helped raise over \$3,000,000 to help CHKD. I'm also in awe of our morning team who give it their all each year with incredible interviews and stories that resonate. This is just one of the many things RADIO does so well.
