“PJ is an excellent addition to our airstaff,” says Brian Beddow, 104.9/105.5 Program Director. “He has a lot in common with our audience, he loves the music and he loves sports.”

PJ will be heard weeknights from 8-Midnight. He’ll also handle news and sports during the Free Beer and Hot Wings Show heard mornings from 5am to 10am.

“I’m excited about the opportunity to come to the Valley full time,” says PJ. “I spent a lot of time here when I was younger and I can’t wait to get started.”
