## **STUDIO CENTER NAMED ONE OF THE BEST PLACES TO WORK IN VIRGINIA**

**Virginia Beach, VA** — November 27, 2012. Studio Center Total Production, headquartered in Virginia Beach, Va., has recently been named as one of the 2013 *Best Places to Work in Virginia* by Virginia Business Magazine. Virginia Business Magazine and Best Companies Group created the annual list of “Best Places to Work”.

This survey and award program was designed to identify, recognize and honor the very best places of employment in Virginia, benefiting the state's economy, its work force and businesses. Studio Center has been named one of the *Best Places to Work in Virginia* in the small business category.

Organizations from across the state entered the two-part survey process to determine the *Best Places to Work in Virginia*. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top organizations and the final rankings. Best Companies Group managed the overall registration, survey and analysis process and determined the final rankings.

The rankings of the 3<sup>rd</sup> annual *Best Places to Work in Virginia* will be unveiled and published in the February 2013 issue of *Virginia Business*.

“We’re blown away! Considering that over 700,000 companies and organizations are doing business in Virginia, my staff and I are truly honored that Studio Center has received this recognition.” said William “Woody” Prettyman, CEO of Studio Center.
