92.9 The Wave Counts Down the Top 1,000 Songs

VIRGINIA BEACH, VA – 92.9 The Wave (WVBW-FM) kicked off a countdown of the top one-thousand songs from the 1960's, 1970's, and 1980's on Wednesday, April 27th at 9:00 AM. The countdown begins daily at 7:00 AM and replays in the evening for those fans that may have missed one of their favorites.

“We thought this concept would be fun to do just in time for summer and the response from our listeners has been overwhelming” says Mike Allen, 92.9 The Wave's Program Director and On-air Personality.

Since the debut of 92.9 The Wave in July of 2005, the music library had grown to include thousands of songs from more than five decades. The countdown is currently approaching the half-way point. And will continue through the weekend and into next week.
